Three Bedroom House to Rent – Double Bedrooms – End of Terrace – Private Rear Garden – Wooden Flooring – Up to Date Kitchen – Contemporary Bathroom – Great Acton Location – Available Beginning Jan 2022.

This three bedroom house is a great opportunity for young families looking to plant roots in the area. The property introduces itself with an enclosed front garden at the end of a terrace, and includes a tall hedge for that little extra privacy. Opening with an entrance hallway, the house then continues into the reception room, which has wooden flooring, discerning furnishings, and is large enough to receive guests for any occasion. The kitchen has updated appliances, a gas hob, and has windows on both the South and East facing walls, brightening this room considerably. The spacious, secluded garden is ideal for social gatherings, and completes this ground floor ensemble. The bedrooms upstairs are the pride and joy of the house, can easily fit double beds, and also have the large windows that are present throughout the property.

Brassie Avenue is in an excellent position within East Acton, as it is situated within the vicinity of several prestigious schools, such as East Acton Primary School (0.5 miles), the King Fahad Academy (0.4 miles), and North West London Independent School (0.2 miles). Just down the road from East Acton Station, the house is ideal for commuters in and around Central London. Local amenities are easy to come by, with Acton Central Food Market a mile away. The shops, bars, and restaurants of Central Acton are also convenient, as well as a variety of local parks and green open spaces, such as Acton Park.
