

To Let - Spacious Garage - Secure and Locked - Centrally Located - Great Storage Space - Fits a Large Car - Available Early August 2023.

A spacious garage to LET within the popular Grayling Court Development. Located on Grange Road, which is just opposite Ealing Green – a lovely green space that is especially nice in the summer. The garage is secure and locked with space to park a large car or store multiple items of furniture / belongings etc. Ealing Broadway's shops, bars and restaurants are all within easy reach, with Ealing Broadway Shopping Centre on the way to the station. The transport links are only improved with the inclusion of the circuit of bus routes, the GWR from Ealing Broadway, and the Piccadilly Line at South Ealing Station.
