Helliwell & Co are proud to present this spacious two-bedroom, two-bathroom apartment, ideally positioned on Montpelier Road, a sought after area in Ealing, and offered to the market with no onward chain.

Offering approximately 787sqft of internal accommodation, the property opens into a welcoming entrance hallway, leading through to a particularly spacious living and dining area. This excellent reception space provides ample room for both comfortable seating and dining area, making it an ideal setting for entertaining or relaxing. A separate fitted kitchen is conveniently positioned off the reception room, providing a practical and well-defined space for everyday cooking. The property is completed by two well-proportioned bedrooms, with the principal bedroom benefiting from its own ensuite. The second bedroom is also a good-sized double, whilst a separate family bathroom serves the remainder of the property.

The property further benefits from its own private garage, providing secure parking and valuable additional storage - a particularly attractive benefit for a property in this location. Additionally, the property offers plenty of storage throughout, off-street parking on a first come first serve basis and a large and well-maintained communal garden.

Montpelier Road is ideally positioned for access to the excellent range of shops, restaurants and cafes available in Ealing Broadway. Montpelier Park just across the road provides a very pleasant green open space, while larger parks, like Pitshanger Park, Hanger Hill Park and Walpole Park are also within easy reach. Excellent transport links, including Ealing Broadway Station and the Elizabeth Line, provide convenient connections into Central London and beyond.
